Musicianship classes are a unique feature of the Coppell Conservatory. In Musicianship, the students concentrate on music theory, ear-training, music history, and aspects of music appreciation that they normally would not be able to cover in their private lesson. This not only gives them a comprehensive music education, but also allows them to make more rapid strides in their private lesson in Technique and Artistry. In addition, the Musicianship class serves as a venue for Performance practice and experience that give the students confidence, teaches them how to perform before an audience, and exposes them to repertoire they may wish to play.

Performance Class Requirements: There are five (5) Performance Classes from September to May. Attendance is mandatory for students who would like to be invited to the **Spring All Star Recitals**. Students who attend Musicianship classes will have Performance during their regularly scheduled Musicianship time. Basic Private students need to sign up for one of the scheduled Performance class times.
